Older "Isolates" versus "Desolates"	44
Inheritance and the Family	45
Family Involvement in Mental Health Care of Older Persons	46

Selected Readings 48
Endnotes 50

CHAPTER 3 HEALTHY, SUCCESSFUL OLD AGE 54

Negative Stereotype of Old Age 55
What Is a Healthy Old Age? 55
Becoming "Old" 56
Historical Factors in Adaptation 60
Popular Myths about Aging 60
New Interpretations of Aging from Research 61
Psychosocial Theories of Aging 62
Some Special Characteristics of Older People 64
Middle Age and the Transition to Old Age 66
The Changing Awareness of Old Age 67
Selected Readings 68
Endnotes 69

CHAPTER 4 COMMON EMOTIONAL PROBLEMS 71

Common Emotional Reactions as Expressed in Old Age 72
Emotional Reactions to Age-Related Life Crises 77
Common Adaptive Techniques 85
Other Defensive Behavior 87
The Life Review 90
Selected Readings 91
Endnotes 92

CHAPTER 5 COMMON PSYCHIATRIC DISORDERS 94

Mood Disorders in the Elderly 95
Other Mood Disorders in the Elderly 98
Schizophrenia and Paranoid Disorders 102
Anxiety Disorders 106
Somatoform Disorders 107
Dissociative Disorders 108
Sexual and Gender Identity Disorders 109
Personality Disorders 109
How Important Is Diagnostic Classification? 110
Diagnostic Nomenclature 110
Selected Readings 113
Endnotes 118

CHAPTER 6 COGNITIVE DISORDERS 124

Delirium, Dementia, and Other Cognitive Disorders 124
Changes in Nomenclature 125
Delirium 126

Dementia	129
Possible Reversible Causes of Cognitive Impairment	143
Summary	145
Selected Readings	146
Endnotes	152

CHAPTER 7 SPECIAL CONCERNS: RACE AND ETHNICITY, OLDER WOMEN AND GENDER ISSUES, CRIME, ALCOHOLISM, DEAFNESS, BLINDNESS, AND SEXUALITY 157

The Impact of Race and Ethnicity on Mental Health Care	157
Older Women and Gender Issues	166
Crimes against the Elderly	172
Alcoholism	175
Hearing Impairment	178
Visual Impairment	182
Sexuality in Old Age	183
Selected Readings	189
Endnotes	196

**PART TWO
EVALUATION, TREATMENT, AND PREVENTION 201**

CHAPTER 8 GENERAL TREATMENT PRINCIPLES 203

Changes in Perspectives toward Mental Health Treatment of Older Persons	203
Obstacles to Treatment in Old Age	208
Progress toward Developing Professional Interest and Skills in Providing Mental Health Care to the Elderly	212
Staff Considerations	219
Staff Training	220
Treatment Points to Remember	221
Right to Treatment	224
Selected Readings	225
Endnotes	226

**CHAPTER 9 DIAGNOSTIC EVALUATION:
HOW TO DO A WORKUP 228**

The Purpose of Diagnostic Evaluation	228
The Role of Geriatric Assessment	228
How Comprehensive Should an Evaluation Be?	229
Conditions for a Good Evaluation	230
A Basic Evaluation	234
Selected Readings	262
Endnotes	265

CHAPTER 10	HOW TO KEEP PEOPLE AT HOME	269
	Who Needs Home Care?	269
	Living Alone	270
	How Important Is "Home"?	272
	Advantages of Home Care	273
	The Initial Request for Mental Health Evaluation	274
	Factors to Consider Regarding Home Care	274
	Use of the Home for Screening and Evaluation	279
	The Role of Geriatric Assessment and Care Coordination	280
	Home Delivery of Services	281
	Outpatient Care	296
	Multipurpose Senior Centers	298
	Protective Services	299
	Models of Multiple Service Programs	300
	Corporate Sector Efforts	301
	The Pepper Commission	302
	Selected Readings	302
	Endnotes	305
CHAPTER 11	PROPER INSTITUTIONAL CARE	309
	The Decision to Institutionalize an Older Person	309
	The Different Kinds of Short- and Long-Term Institutional Care	310
	Financing Institutional Care	326
	Family Reaction to Institutionalization	327
	Other Factors in Institutional Care	328
	Selected Readings	342
	Endnotes	343
CHAPTER 12	PSYCHOTHERAPY AND ENVIRONMENTAL THERAPY	346
	Individual Psychotherapy	346
	Group Therapy	360
	Intergenerational Family Therapy and Couples Therapy	363
	Behavioral Therapies	364
	Environmental Therapy	365
	Selected Readings	375
	Selected Readings in Reminiscence and Life Review	378
	Endnotes	379
CHAPTER 13	DRUG AND OTHER SOMATIC THERAPIES	383
	General Principles in Drug Treatment with the Elderly	384
	Specific Drug Treatments	389
	Drug Treatments for Sleep Disorders	398
	Drug Treatment of Pain	400

Electroconvulsive Therapy	401
Mental Health Therapist's Involvement in Drug Therapy	402
Future Directions in Drug and Somatic Therapies	403
Selected Readings	404
Endnotes	408

APPENDIXES 415

APPENDIX A	SOURCES OF GERONTOLOGICAL LITERATURE	417
APPENDIX B	ORGANIZATIONS PERTAINING TO THE ELDERLY	421
APPENDIX C	GOVERNMENT PROGRAMS FOR THE ELDERLY	433
APPENDIX D	TRAINING AND EDUCATION IN GERONTOLOGY AND GERIATRICS	446
