

## About the Author

---

**Kerry Winget**, AuD, CCC-SLP/A, received her graduate training in speech-language pathology and audiology from Western Illinois University and her doctorate in audiology from the University of Florida. She has provided speech services in a variety of settings, including acute and rehabilitation hospitals, outpatient clinics, and public school systems, as well as audiological services in a private practice office and outpatient hospital clinic.

*The Differential Processing Training Program* is Kerry's first publication with LinguiSystems.

## Dedication

---

To my parents and my husband for their love, patience, and support
