

## Study Skills Exercise A

### DIRECTIONS

Read the passage. Then look at the table. Using information from the passage, complete the table by deciding in which two sports each student participates. Next to each student's name, write *X* in two boxes to show the sports that the student plays. Write *O* to show the sports that the student does not play.

### The Sports Stars

A physical education teacher at Harley High School has identified four outstanding students who participate in two school sports. The students are Erin Bond, Gidi Hogan, Shawn Pepinski, and Pat Vang. The sports are basketball, baseball, soccer, and football.

- Three of the four students play basketball.
- Two of the four students play baseball.
- Two of the four students play football.
- Erin Bond does not play basketball.
- Both Pat Vang and Shawn Pepinski play baseball.
- Gidi Hogan plays football.
- Erin does not play any of the sports that Pat and Shawn play.

	Basketball	Football	Soccer	Baseball
Erin Bond				
Gidi Hogan				
Shawn Pepinski				
Pat Vang
